SHFIA Held "2026 Shanghai International Carbon Neutrality Expo · Foreign-invested Enterprise Green and Low-Carbon Technology and Investment Seminar"

On June 11, the "2026 Shanghai International Carbon Neutrality Expo · Foreign-invested Enterprise Green and Low-Carbon Technology and Investment Seminar," hosted by the Shanghai Foreign Investment Association (SHFIA) and supported by BASF (China) Co., Ltd., the Environmental Defense Fund (EDF) Beijing Representative Office, and Goodyear, was held in

Pudong, Shanghai. This marks the fourth consecutive year that SHFIA has deeply participated in the Shanghai International Carbon Neutrality Expo and organized a concurrent side event. The seminar was themed "Green Investment Driving Transition, Green Logistics Leading Transformation." More than 150 representatives from relevant government departments, experts, and foreign-invested enterprises attended the event to explore the latest practices and local insights related to green investment and green logistics. Jiang Yongyong, Senior Director of Government Affairs at BASF China and representative of the leadership team of SHFIA's Green and Low-Carbon Development Branch, moderated the seminar.

Chen Hao, Deputy Director-General of the Shanghai Municipal Commission of Commerce; Gu Chunting, Vice President of the Shanghai Council for the Promotion of International Trade; and Huang Feng, Chairman of SHFIA, delivered opening remarks. Pete Harrison, Executive Director of Environmental Defense Fund (EDF) International, addressed the seminar via video.

Lyu Tongxuan, Deputy General Manager of the National Green Development Fund Co., Ltd., delivered a keynote speech titled "Practice and Reflection on Green Investment in China," sharing the fund's investment layout across multiple sectors. Zhao Huaijun, Deputy Director-General of the Yunnan Provincial Investment Promotion Bureau, delivered a keynote speech titled "Green Electricity Value Conversion Driving Manufacturing Transformation," proposing a "Green Electricity +" transformation framework to help foreign-invested manufacturing establish new low-carbon benchmarks. Qin Hu, Vice President of Environmental Defense Fund and Chief Representative of its Beijing Representative Office, delivered a keynote speech titled "Clean Transformation of Long-Haul Freight to Reduce Pollution and Carbon Emissions," sharing three systemic solutions for clean transformation of long-haul freight.

Guests from EY, Bosch, BASF, Danfoss, and Aginode participated in a panel discussion themed "Investing in the Future – Strategic Considerations and Value Realization of Green Investment," exploring corporate strategic decision-making on green investment, how green investment can drive carbon reduction across the entire industrial chain, breakthroughs in low-carbon processes, and industrial ecosystem co-building. They also shared practical experiences such as the construction of green/zero-carbon factories, green product R&D, and commercialization of low-carbon technologies. Guests from SGS, Kuehne+Nagel, CMA CGM, Honeywell, Goodyear, and Ford Motor joined a panel discussion themed "Joint Journey on Carbon Reduction – Green Logistics Enabling Industrial Transformation and Supply Chain Collaborative Emission Reduction," sharing practical experiences in new energy transportation, green fuels, low-carbon materials, and shipper-driven emission reduction. They also discussed pathways to address challenges such as cross-border carbon barriers, high costs, and data silos.

协会举办“涉外检察联系点”启动仪式暨企业反腐败治理培训讲座

6月18日，在上海市人民检察院第一分院的指导支持下，上海市外商投资协会举办“涉外检察联系点”启动仪式，并与虹桥外企联谊会共同举办企业反腐败治理培训讲座。市检察一分院党组书记、检察长陈思群，市外资协会会长黄峰出席并讲话。上海虹桥国际中央商务区管理委员会党组成员、副主任杨旭波，市检察一分院党组成员、副检察长谈信友，党组成员、政治部主任钱焰青出席活动。来自市检察一分院、徐汇、长宁、闵行区检察院政治部及相关部门负责同志、检察官，及戴森、保时捷、博世、麦德龙等30多家企业的代表参会。本次活动由市外资协会副秘书长王烨君主持。

黄峰会长与谈信友副检察长共同启动“涉外检察联系点”。该联系点是完善涉外法治服务布局和持续优化营商环境的又一拓展，持续延伸检察法治服务触角，精准覆盖外资企业经营前沿场景。

钱焰青主任代表市检察一分院现场发布了第二辑《企业经营常见法律风险防范指引》《护航经济高质量发展普法案例》。法治政策解读环节，市检察一分院第三检察部检察官王亚洁围绕最高人民法院、最高人民检察院《关于办理贪污贿赂刑事案件适用法律若干问题的解释（二）》开展专题解读。徐汇、长宁、闵行三个区检察院干警现场检察履职，为到场外资企业代表解答经营法律问题。

企业反腐败治理主题圆桌对谈。华东政法大学李翔教授、上海博和汉商律师事务所管委会主席、高级合伙人王嵘律师、瑞士SIG集团亚太北区法务合规总监周颖、市检察一分院第三检察部副主任朱峰同台交流，从法学理论、实务法律服务、跨国企业合规管理、检察监督履职多维度分享专业建议。

SHFIA Held Launch Ceremony of "Foreign-Related Prosecution Service Contact Point" and Corporate Anti-Corruption Governance Training Seminar

On June 18, under the guidance and support of the First Branch of Shanghai People's Procuratorate, SHFIA held the launch ceremony of the "Foreign-Related Prosecution Service Contact Point" and, together with the Hongqiao Foreign Enterprises Club, co-hosted a corporate anti-corruption governance training seminar. Chen Siqun, Secretary of the Party Committee and Chief Prosecutor of the First Branch of Shanghai People's Procuratorate, and Huang Feng, Chairman of SHFIA, attended and delivered speeches. Yang Xubo, Member of the Party Committee and Deputy Director of the Shanghai Hongqiao International Central Business District Administration Committee; Tan Xinyou, Member of the Party Committee and Deputy Chief Prosecutor of the First Branch; and Qian Yanqing, Member of the Party Committee and Director of the Political Department, also attended the event. Representatives from the First Branch, the political departments and relevant divisions of the Xuhui, Changning, and Minhang District People's Procuratorates, prosecutors, and representatives from more than 30 companies including Dyson, Porsche, Bosch, and Metro participated. The event was moderated by Wang Yejun, Deputy Secretary-General of SHFIA.

Chairman Huang Feng and Deputy Chief Prosecutor Tan Xinyou jointly launched the "Foreign-Related Prosecution Service Contact Point." This contact point represents another expansion of efforts to improve the layout of foreign-related legal services and continuously optimize the business environment, extending the reach of prosecutorial legal services to precisely cover the front-line scenarios of foreign-invested enterprises.

Director Qian Yanqing, on behalf of the First Branch, released the second volume of the "Guidelines for Preventing Common Legal Risks in Business Operations" and "Law Popularization Cases for Safeguarding High-Quality Economic Development." During the legal policy interpretation session, Prosecutor Wang Yajie from the Third Procuratorial Department of the First Branch delivered a special interpretation of the Supreme People's Court and Supreme People's Procuratorate's "Interpretation (II) on Several Issues Concerning the Application of Law in Handling Criminal Cases of Corruption and Bribery." Procuratorial staff from the Xuhui, Changning, and Minhang District People's Procuratorates provided on-site prosecution services, answering legal questions from attending foreign-invested enterprise representatives.

A roundtable dialogue on corporate anti-corruption governance was held, with Professor Li Xiang from East China University of Political Science and Law; Wang Rong, Chairman of the Management Committee and Senior Partner of Shanghai Bohe Hanshang Law Firm; Zhou Ying, Legal and Compliance Director for North Asia Pacific of SIG Group (Switzerland); and Zhu Feng, Deputy Director of the Third Procuratorial Department of the First Branch, sharing the stage. They exchanged views and offered professional advice from multiple perspectives, including legal theory, practical legal services, compliance management of multinational enterprises, and prosecutorial supervision duties.

The event was organized by Shanghai Huaihai Commercial (Group) Co., Ltd., the Huaihai Road Economic Development Promotion Association, and Shanghai Yongjin Real Estate Development Co., Ltd., with SHFIA serving as a co-organizer. Themed "Joy for Self and Pets, Gathering on Summer Nights," the party tapped into the summer consumption boom, capitalized on the fashionable positioning of Huaihai Middle Road, and targeted the leisure and healing needs of urban young people. Member companies of SHFIA, including Mars Food (China) Co., Ltd. and Boehringer Ingelheim (China) Investment Co., Ltd., participated in the market.

The market event integrated fun interactive activities with pets, Shanghai-style cultural experiences, trendy leisure and entertainment, and low-carbon lifestyle concepts. Leveraging the historic Longfeng PRSCO-style old buildings, it created an immersive gathering for people and pets, enlivened summer night consumption scenarios, and became a popular summer leisure check-in spot beloved by citizens.
